

Hello my Mighty Warriors in Gods Army,

Summer is here, gardens are in and some things are ready to pick and eat. Fresh garden produce tastes so good. It reminds me of Psalm 34:8, "Taste and see that the Lord is good. Blessed is the one who takes refuge in Him." By taste and sight we make both discoveries and have enjoyment. Taste and see God's goodness. Take notice, take comfort, He makes all truly blessed that trust in Him.

Check the garden of your heart and see what grows there. In order for a garden to grow beautifully and flourish, it needs constant care, watering, weeding, and sun shine. Tending to it would give rich produce.

Our hearts are God's garden.

ND Aglow is having a fall seminar in August on Trauma Healing - healing of the wounds in the heart. Sometimes we forget and neglect to tend to our hearts and things get left unattended, get over grown, then we are unable to taste and see the goodness and the beauty.

Come August 11th, 12th, and 13th to the Ramkota in Bismarck ND. Check the garden of your heart. Learn from Pat Kempf as she teaches healing the wounds of the heart.

There will be two early bird registration grand prizes and surprises throughout the meeting.

Come be blessed, healed, and surprised.

Until Septembers letter,

May you rise above your circumstances and see them as God sees them, may the Lord guide and direct your steps, the Holy Spirit draw each and every one near to the heart of Jesus, Your Kingdom come, Your will be done, on Earth as it is in Heaven.

ND Aglow Area President
Rena Stroh
